TRUCK

Heavy Duty Mobile Command Vehicle

46' Mobile Command Vehicle
Standard DOT 102" wide
HP equivalent for 46' Truck – Allison Transmission
54,000lb GVWR – Conventional Truck Chassis
Dual Live Axel (NO Tag Axel Accepted)
Carefree Mirage lateral arm box awning 18' (12')
Exterior graphics package
Will-Burt 7-42 pneumatic telescoping mast
- Camera on top

K – Environmental Compartment Storage
L – Self Leveling Jacks
O – Ladder
Q – Data Center Pass Through
R – Data Access Panel (Vendor TBD)
I – Security Cameras
J – Towing
- Tri-ball hitch
- Class 5 receiver
- Trailer Brake Control

Custom slide out room, up to 11' in length x 26" electric (2-12' & 1-8')
36" Pop-outs
- Floor raised / flush? Cost?

Overhead Storage over cab area
Overhead Cabinets w/Dry Erase / Magnetic Fronts

Pegboard carpet walls
Wall panels need to be removable for access
Ceiling needs panel access for future installs

H.V.A.C

R2 - 3 HVACs
- 3 zone separate control
- Ceiling has air ducts
- Middle HVAC dumps cool air into data room

Generators & Power Supplies

2 - UPS, 2000 watts, 300VA, dual output distribution switches w/bypass
P - 20KW 120/240VAC liquid cooled Diesel Generator
Shore Power Hookup w/ auto switch

External LED HDTV

Environmental Sealed 40" LED HDTV Outdoor Rating

Emergency Lighting

WHELEN LED Emergency light package
- W – WigWags/Strobes Four Corner
- A – RED 4500 Plus Super LED Build a Bar
  - Width of truck
- B – RED 900 Series
- C – RED 400 Series Linear LED
- D – WHITE Pioneer Series Floodlights
- E – Howler Low Frequency Tone Siren
- F – Cantrol Light / Siren System
- G – L41 Series Super LED – Encapsulated BECON
- H – GREEN 500 Series Linear Super LED

Communications Platform

R1 - Raised Platform
Full Length/Width Roof
Need to be walked on
Hinged panels
- Tread Plate Aluminum
- Cable Management

2 - Radio Mount Bars
- Grounded

Single Entry Point into Data Closet
- Rams Horn

Mid-Structure Support for future Satellite
- 1.2meter 6-8watt BUC Auto Deployable Satellite

R3 – In-motion SAT Dish in Dome (Direct or Dish)
R4 – Off Air HDTV Antenna
