Responses to Questions Received:

1.Q)With regard to point allocation. what is the weight given to MWBE primary consultants versus MWBE sub consultants?

A)The points awarded to an MBE are the same for a WBE. Proponents will be awarded up to 15 points out of 100 based on a strong representation of local and M/WBE participation throughout its team composition. As a secondary consideration, preference in points will be awarded to firms who have demonstrated a commitment to employment of minorities or women, especially at the professional level.

All SPLOST funded Projects/Proposals should be consistent with the Board of Commissioners' goal of 30% local M/WBE participation. A full 15 points will be awarded for commitments of 30% local M/WBE Participation, then a percentage for those falling below the target goal.

2. Q)Are we required to include the forms(Attachments A-H) for all sub-consultants, or are these to be filled out by the lead firms only?

A) Attachments need to be filled out by all sub-consultants as well as the lead firm.

3. Q) Can you clarify further the 24 page limit? Are we permitted to use both the front and back of those 24 pages?

A) Yes.

THE PROPOSALS REMAIN DUE: 2PM, WEDNESDAY, JANUARY 21, 2015.

**THE PROPOSER IS RESPONSIBLE FOR MAKING THE NECESSARY CHANGES
