FOR PUBLIC WORKS

=====

PLEASE SEE THE FOLLOWING ADDITIONS, CLARIFICATIONS AND/OR
CHANGES:

1. **CHANGE:** FEE SCHEDULE – REPLACE AND USE ATTACHED REVISED FEE SCHEDULE WHEN SUBMITTING PROPOSAL.

2. **QUESTION:** Does the County have a specific goal assigned for this contract?
RESPONSE: The Chatham County Board of Commissioners adopted a policy establishing goals oriented to increase participation of minority and female owned businesses, through MBE/WBE certification and development. In order to accurately document participation, businesses submitting bids, quotes or proposals are encouraged to report ownership status. A vendor or contractor that is certified by any agency of the Federal Government or State of Georgia may submit a copy of their certification with their proposal as proof of qualifications.

Section 2.18 states, “ it is the desire of the Chatham County Board of Commissioners to increase the participation of minority (MBE) and women-owned (WBE) business in the contracting and procurement programs.” Where there are sub-contracting or sub consulting opportunities the Commissioners strongly encourage proposers to utilize certified MWBE. If your firm is owned by a minority or a female please indicate that in your proposal. In addition, “bidders/proposers are requested to include in their proposals a narrative describing their past accomplishment (in this area) and their intended actions in this area. Now, in the event of and “if bidders/proposers are considering minority or women owned enterprise participation in their proposal”, clearly define their roles and the percentage of their utilization when addressing the scope of work in your proposal. Proposers may also provide their company’s employees demographic information regarding their company’s commitment to equal opportunity. Tell us your history.

Section 4.5.4. The MWBE Coordinator will assign a maximum of 15 points in evaluating of your proposal, based on how you address the desires of the County Board of Commissioners in Section 2.18

3. **QUESTION:** Does the County have a M/WBE Directory that lists prequalified firms? If so, would it be possible to get a copy of that directory or its location?

RESPONSE: The directory can be obtained by visiting our website, mwbe.chathamcounty.org, then select “Useful Links” for the City of Savannah and/or GDOT list of certified contractors.

4. **QUESTION:** Will the DMS site set-up and site remediation be accomplished on a
